			File 2 - Moultrie

Petitioner states [in brief sum]:

- The Administrator was beset with numerous conflicts and disputes, which resulted in lengthy and cankerous litigation;
- Conflicting claims of ownership between the **EBENEZER CHURCH OF GOD AND CHRIST** and the Decedent, as to two parcels of real property ("church properties") to which the church claimed ownership based on numerous legal grounds; in October 2005, the Church agreed with the Administrator to compromise and settle their dispute for the sum of **\$47,000.00** to be in full settlement of all claims and to resolve all interest held by Decedent and his deceased wife, **HELEN MOULTRIE**, in the church properties in favor of the Church; after the agreement was signed the Church promptly reneged on the initial deadline and requested multiple extensions to obtain financing; following legal actions over several years the Administrator collected **\$54,794.00** in rent; at mandatory settlement conference the parties agreed to accept **\$30,000.00** as payment in full for Decedent's interest in the real properties;
- The second disputed matter was an awkward attempt by counsel, **G. CAT STOKES**, to establish the right of **GWENDOLYN McKELLER**, alleged to be Decedent's daughter, to inherit from Decedent's estate; the matter was resolved in the affirmative when Mr. Stokes was "coached" into producing a copy of a certified court judgment from a sister state, wherein Decedent had confessed his paternity in a marital dissolution proceeding, in spite of the fact he was serving in U.S. Army in the Philippine Islands during WWII when this child was conceived;
- The third litigated matter was filed by **GERALD BREAZELL**, cousin of Administrator, represented by Attorney **G. CAT STOKES**, objecting to the spousal set-aside petition of the Administrator to set aside community property rights of Decedent's predecease spouse (Helen) in certain mineral rights; mediation of the matter resulted in stipulated settlement, which has since become null and void because the interests of the parties has been re-allocated by the oil company following misleading dealings with the Objector's attorney; Petitioner has maintained from the outset that this matter is economically infeasible due to the low value of this asset, and should be ignored by the Court; Objector and his siblings will receive notice of hearing and a copy of this petition.
- The following are all of the beneficiaries pursuant to the settlement agreement reached regarding mineral rights which is not null and void: Gerald Breazell, Wilma Jean Fullmore, Florine Mitchell, Oliver Breazell, Kenneth Breazell.

Petitioner requests authorization to distribute the remainder of the estate pursuant to intestate succession as follows:

PATRICIA ANN MOULTRIE HARRIS – 1/7th interest consisting of **\$656.26** cash and **.3572%** interest in mineral, oil, gas and hydrocarbons rights in real property;

PHILIP CORNELIUS MOULTRIE – 1/7th interest consisting of **\$656.26** cash and **.3572%** interest in mineral, oil, gas and hydrocarbons rights in real property;

STEVIE RYDELL MOULTRIE – 1/7th interest consisting of **\$656.26** cash and **.3572%** interest in mineral, oil, gas and hydrocarbons rights in real property;

KATHY LYNETTE MOULTRIE PAYNE – 1/7th interest consisting of **\$656.26** cash and **.3571%** interest in mineral, oil, gas and hydrocarbons rights in real property;

DOROTHY MAE MOULTRIE McALISTER – 1/7th interest consisting of **\$656.26** cash and **.3572%** interest in mineral, oil, gas and hydrocarbons rights in real property;

DALE LOUISE MOULTRIE BOLDEN – 1/7th interest consisting of **\$656.26** cash and **.3571%** interest in mineral, oil, gas and hydrocarbons rights in real property;

GWENDOLYN McKELLER – 1/7th interest consisting of **\$656.26** cash and **.3571%** interest in mineral, oil, gas and hydrocarbons rights in real property.

Objection to Third and Final Account and Report; Petition for Settlement; for Approval of Settlement Agreement; for Final Distribution; and for Allowance of Ordinary and Extraordinary Fees to Administrator and Her Attorneys filed by GWENDOLYN J. MOULTRIE McKELLER on 6/10/2014 states:

She objects to the following:

- The reference in the petition to matters that have already been adjudicated by this Court, and to use those matters to twist the facts in an effort to improperly sway this honorable Court about Objector's entitlement to inherit; in addition, the language is unprofessionally improper and irrelevant;
- The unreasonable length of time that it has taken to administer this small estate;
- The costly strategy in pursuing family owned mineral rights which drastically effected the request for extraordinary attorney fees;
- The costly strategy in pursuing the defense of this Objector's right to inherit from this estate notwithstanding presentation of official documents to resolve the claim without litigation; Petitioner and her attorney continue to refuse to acknowledge validity of the claim until it was litigated and decided in this claimant's favor by this Court;
- She objects to an award of statutory fees to Petitioner or to her attorney; Petitioner participated in a fraud upon the Court and her fee should be surcharged; Petitioner's attorney participated in that fraud knowingly or negligently, and therefore should have his statutory and extraordinary fees surcharged in an appropriate amount established by the Court;
- The extraordinary attorney fees are excessive in view of the value of the estate; fees are not warranted by the small value of the estate, nor did it have a reasonable benefit to the estate, nor is it consistent with the requirements set forth in California Rules of Court, Rule 7.702(2) and (3); *[Note: California Rule of Court 7.702(2) and (3) provide a petition for extraordinary compensation must include a statement of facts upon which the petition is based, showing the results achieved and the benefit of the services to the estate];*
- She objects to the inventory and appraisal;
- She objects to the accounting;
- The property on Sierra Vista Ave. was deeded by Petitioner on 1/8/2002 to **DOROTHY AND WILBER McALISTER**;
- Petitioner had Limited [IAEA] authorization on 6/20/2000, with Full authority on 3/14/2002;
- Dale (Odell) Bolden, Dale's daughter Leslie (now deceased), and granddaughter Ashley, lived in the home on Sierra vista Ave., along with brother, **PHILLIP MOULTRIE**, in 2000 and for many years after;
- **PATRICIA HARRIS**, sister, and **PHILLIP MOULTRIE** are living in the house at this time;
- [Remainder of objection consists of a list of schedules contained in the accounting with specific itemizations from the schedules singled out as improper expenses].
- **Objector prays that the Petition and accounting not be granted, ratified or approved.**

Petitioner's Response to Objections to Third and Final Account and Report of Administrator as to the Petition for Settlement and Final Distribution of the Estate filed by DALE BOLDEN on 6/30/2014 states:

- This matter has been and continues to be a long drawn out affair; the case is vexing, acrimonious and complex; there have been extended proceedings and hearings involving the various disputes in this matter;
- These objections by Gwendolyn J. McKeller are just the latest in a series of difficulties;
- Ms. McKeller made numerous objections to matters previously heard by this Court, upon which the Court has long ago disposed of by issuing an order; the period in which to object or appeal the Court's findings and orders has long since expired making all those matters *res judicata*;

~Please see additional page~

Petitioner Dale Bolden's Response to Objections to Third and Final Account filed on 6/30/2014, continued:

- As to the objection in paragraph 1, it is unclear as to the point the objector is trying to make other than to voice her opinion as to this aspect of the proceeding;
- As to the objection in paragraph 2, there is no question that this matter has taken a long time to resolve; the very nature of the problems involved dictated the time that was taken to finally resolve the matter; had the church not reneged numerous times on their agreement, this matter would have been resolved years ago;
- As to the objection in paragraph 3, the mineral rights issue was raised by other relatives, who filed objections to the proceedings and the Petitioner had no choice but to respond and defend the estate's interest;
- As to the objection in paragraph 4, the statements by the Objector in this paragraph are mainly the unsubstantiated opinion of the Objector and inaccurate; if her attorney had known and understood the law, this matter could have been handled in the manner she suggests, but he did not; any delay in this proceeding was due to the Objector's attorney's inexperience and/or ineptitude;
- As to the objection in paragraph 5, this is more of the same in regard to the heirship proceeding; it is confused and there is no basis for the points raised therein;
- As to the objection in paragraph 6, this is a general objection to the fee requests; the Petitioner has conformed to all the requests and requirements set forth in the section cited;
- As to the objection in paragraph 7, it is a vague and ambiguous objection about which the Petitioner has no idea what this objection was meant to convey;
- As to the objections in paragraph 8:
 - **Sierra Vista Ave. property** – Petitioner has no idea what the point being raised is about; the Decedent's house was in very poor condition and in a crime-ridden area; the Petitioner resided in the home to protect it while it was listed for sale; ultimately there were no offers made to purchase the house after an extended period of time; after 3 years the house was sold;
 - **First Account and Report and Second Account and Report** – both of these matters were approved and ratified more than 3 years ago and are therefore beyond the period in which to object or appeal and are *res judicata*;
 - **Third Account and Report** – all these expenses were accrued while the Petitioner was in possession of the Church property and were needful and necessary expenses incurred to the upkeep and maintenance of the property;
 - **Questionable Expenses** – Petitioner is not sure what the item "appraisal fee" reference is meant to convey; the consultation with Attorney Myers was needful and necessary in order for the Petitioner to ascertain what she needed to do in regard to this matter as it was unduly complex;
- **Petitioner requests the Court order the Petitioner's Third and Final Account and Petition for Settlement be approved as filed.**

DOD: 7/29/2005		LORRAINE GIRAGOSIAN, Administrator, is petitioner.		NEEDS/PROBLEMS/COMMENTS:	
				1. Need itemization of costs.	
		Accounting is waived.		Note: This estate was opened in 2006 (8 years ago). It appears that the estate has been distributed and attorney fees paid without court authority. California Rules of Court, Rule 7.700 (a) states no compensation in advance of court order. The personal representative must neither pay nor receive, and the attorney for the personal representative must not receive, statutory commissions or fees or fees for extraordinary services in advance of an order of the court authorizing their payment. (b) Surcharge for payment or receipt of advance compensation. In addition to removing the personal representative and imposing any other sanctions authorized by law against the personal representative or the attorney for the personal representative, the court may surcharge the personal representative for payment or receipt of statutory commissions or fees or fees for extraordinary services in advance of an order of the court authorizing their payment. The surcharge may include interest at the legal rate from the date of payment.

			Petitioner states she (age 82) and Ronald Smith ("Dr. Smith") (age 83) were married in 1953. In 1963 the Medical Board of California issue Physician and Surgeon's Certificate No. C21528 to Ronald D. Smith M.D. This medical license is the community property of Dr. Smith and Petitioner. An accusation is currently pending against Dr. Smith before the Medical Board of California, Department of Consumer Affairs. Dr. Smith has been found to have profound memory loss and disruption with leaves him very impaired and dysfunctional on a daily basis. Declaration of Errol F. Leifer, Ph.D is filed in support. In a settlement of the Accusation, Petitioner and the Medical Board have agreed to a proposed Stipulated Surrender of License and Order (copy attached). Because Dr. Smith lacks the capacity to execute the proposed Stipulated Surrender of License, the Medical Board insists that Petitioner must obtain court authority to execute it on behalf of Dr. Smith. The authorization sought is for the advantage, benefit, and best interests of Dr. Smith and Petition in that it is necessary to consummate the settlement. Without a settlement, Dr. Smith and Petitioner would incur additional legal fees and costs in the Accusation proceeding to no avail, because Dr. Smith does not intend to practice medicine anymore. Petitioner prays for an Order from this Court that she be authorized to execute the proposed Stipulated Surrender of License and Order and surrender Physician and Surgeon's Certificate No. C21528 to the Medical Board.

NEEDS/PROBLEMS/ COMMENTS:
1. Court may require authority that shows that a professional license is community property.
